Under Federal Law, dues to OFDA are normally deductible as ordinary and necessary business expenses to the extent that they are not used for lobbying activities. Under the Consolidated Omnibus Budget Reconciliation Act of 1993, OFDA must estimate the percentage of dues that will be used for lobbying activities and notify members of the amount of dues that are non-deductible. We estimate this amount to be 10% of your dues.  
OFDA is a membership division of the Independent Office Products & Furniture Dealers Association. 11/2014
